MY RAINTREE

MEMBER INSIGHTS:

DAVID MELLO ON PUERTO VALLARTA

How long have you been a member? We have been Raintree members for over 20 years.

What do you love about visiting Puerto Vallarta? Any activity or site recommendation? What we love MOST about Puerto Vallarta are the people. The people are warm and welcoming, and very proud of their beautiful city and culture. While visiting PVR, there are countless activities to experience, and we "try" to experience as many as possible, each trip we make, but a few of our favorites are:

- Relaxing by the beautiful pool at Club Regina,
- Visiting the countless restaurants for incredible meals and entertainment
- Strolling the Malecon to people watch
- Taco tours (of course)
- Sports Fishing is incredible
- Yalapa...you just have to go
- And we experienced the Rhythm of the Night dinner and show for the first time this year, and I can't believe we waited so long to go, this is a show that's too fantastic to describe.

I could go on and on, but people just have to experience PVR for themselves, they will keep coming back!

How often do you go to Club Regina Puerto Vallarta? Do you have a favorite time of year to go? We travel to Club Regina Puerto Vallarta once a year, and that's

usually in April or May. We love visiting PVR in the spring because the weather is beautiful. We were just there April 6-13th and there was low humidity, daytime temps of mid-80's and lows of mid 60's. The weather could not have been more perfect.

Any special memories over the years? Over the years, we have brought down many family members and friends with us, and we even convinced some friends to become members. We've celebrated graduations at Raintree with our daughter and her friends and families, (18 guests), and two years ago we brought our three daughters and their spouses (to celebrate one daughter's belated honeymoon), along with friends and a niece and nephew. In all, we had 13 people in our group. This was a great time showing everyone our favorite places in PVR.

Have you visited other cities or resorts through Raintree over the years that stand out? When we first began our membership, we always visited the Club Regina in Cabo San Lucas, but when we visited PVR, we were hooked on this location. We've also visited Club Regina Cancun, and we loved the beach there.

When is your next visit to CRPV? We have yet to plan our next visit to Puerto Vallarta, but you can bet it will be in the Spring of 2020. We can't wait to visit the many staff members at Club Regina which have become wonderful friends over the years.

STAFF SPOTLIGHT

JORDY VALLADARES

BARTENDER AT POOL C - SINCE 2015 CLUB REGINA LOS CABOS

How long have you been bartending? I got my first job as a bartender when I was 18 years old. That's when I started learning everything about this profession, and I've been with Club Regina since November of 2015.

What is the one quality you feel best describes your job? Honesty (also charisma, respectfulness, and enthusiasm).

What is a typical workday like for you? Always fun because that's what I strive for every day- fun and professional.

What's your favorite drink that the club serves? Our margaritas are amazing and we get asked to make a lot of them!

Is there an aspect about your job people might be surprised about? Not really, I love and enjoy what I do and I think it shows.

What do you look forward to most, either on a day-to-day basis or throughout the year? I always enjoy high season because it's always great to see the same guests return every year. I also like the holiday season at the resort, especially the Posada.

As you look back on your career, what was the hardest lesson you've had to learn? Adapting to changes, although they always are for the better, adapting takes time.

Do you have any special memories with Members that stand out over the years? Seeing Members go with a smile on their faces and then to see the same smile when they return. It's so rewarding when they come back and ask for me, they remember me. It's very special. Some of them even bring me something.

Where are you most likely to be found in your free time? Always with my children at the beach or the park, playing soccer and running. I have two kids: a three-year-old girl, Elizabeth, and a one-year-old boy, Mario Gael.

What is your favorite vacation memory? A year ago, I went to Veracruz and my best memories from that trip were seeing my grandmother and introducing her to my wife and children. That moment is definitely one of the most special ones.

If you weren't a bartender at Club Regina what other career to do think you'd like to have? A professional soccer player. My favorite team is Club América!
