Reflections from our 25-year Members

Over 5000 of our Members have been with us since the beginning! Here, some of our inaugural members share some of their favorite memories and reflect on how Raintree has made a difference in their lives for the last 25 years.

Carlos Gomez Bringas

“Raintree has allowed us to have great family time for the last 25 years. Every year is something special- from visiting Polo Towers to the three Reginas in Cabo, Vallarta, and Cancun. Whether playing golf, seeing archeological ruins, adventures in jungles on zip lines, casinos... in short, these times are engraved in our memories. Thank you for these first 25 years and congratulations! We hope to continue together on this vacation path.”

Lic. Silvia Pérez Alvarado & Family

“Congratulations and blessings to Raintree for your 25th anniversary!! Buying my membership with Raintree 25 year ago has been one of the best decisions in my life because vacations are such an important family tradition for us- it’s how we keep the generations together. The Club Reginas have become the place for our family reunions and where we introduce the new members of our family. One of my brothers and one of my nephews had their respective honeymoons in Cancun, and I celebrated two of my nieces 50th birthdays, one in Vallarta and one in Cancun. Several nephews and now grand-nephews have seen the sea for the first time at the Club Reginas. So many amazing memories!! On behalf of my family and myself, thank you so very much for all your efforts in maintaining the resorts and always making our stays so special.”

Miguel R. Carrillo Soberón

“Regina Puerto Vallarta is our favorite destination, we started going as a family of four, and now we are group of 11 since our kids are married and have kids of their own. We all look forward to our stay and always enjoy a great time. We have recommended Raintree to many friends that are now members. We also love seeing familiar faces of the staff every year and receiving their warm and friendly welcome upon returning. Thank you for these last 25 years, we will continue to visit Club Regina Vallarta for many years to come!”

Enrique & Martha Martinez

“We have loved traveling to the different resorts over these last 25 years. It unites us a couple and we have had memorable and exciting experiences every time we go because each week of vacation is different, and we enjoy it to the fullest! Each resort has created special moments, but our favorite has been watching the whales from the pool in Cabo. We are very satisfied with our Raintree membership- we continue to enjoy all the Raintree resorts as well as its alliances RCI, Diamond, and Prizzma.”

Carlos Martínez

“For me and my family it has always been important to enjoy a good vacation, and with RVC, we’ve found it! We have enjoyed the resorts so much for 25 years. Seeing my children grow up enjoying their vacations and family time every year has been a wonderful experience. Now my children have their own families and doing their own adventures, but I still enjoy it with my father and my sisters, so the fun hasn’t stopped!”

Avilés Family

“Our vacations are important to us because they are unforgettable experiences that you share with your family. My children and their wives, as well as myself, really enjoyed the weeks we’ve spent at Club Regina and have many fond memories. A favorite experience is seeing the whales jump at sunset from the balcony of our room!”

David Kemp

“We have treasured our many years since discovering Club Regina Cabo. One of the most beautiful beaches and private resorts in the area. Our favorite memories are all the friends we have made thanks to tequila! We have maintained contact with members from all over the country after meeting for just one week!”

Stewart & Judy Teitelbaum

“Club Regina Puerto Vallarta has truly become a second home for us. We come as many times as possible each year. It’s comfortable, friendly, and kept incredibly clean. As wonderful as the facility is, what makes it truly special to us is the people. The staff, from top down, is wonderful and accommodating. We know any of our needs will be taken care of by the wonderful staff- they just can’t do enough to make a stay as pleasant as possible!”

Aguilar Grajeda Family

“Vacationing through Raintree is important for us because it’s a great way to encourage family getting together through amazing vacations. We still have fond memories even from our first vacations back when our kids were teenagers. We love the Raintree community and that the staff in Puerto Vallarta always remember us.”

#myraintree   

Escobedo Cabrero Family

“Keeping the membership for many years has enriched our lives for these last 25 years, as it has allowed us to take many different vacations in different destinations and seasons. These vacations are important to us because it brings the family together and allows time to relax and share memorable times together.”

Staff Spotlight

Ramses Santana

Room Division Manager at Club Regina Puerto Vallarta

How long have you been working for Raintree? I have been with Raintree for 9 years. I actually started as a Pool Concierge, then a was a Front Desk Manager, and 6 years ago was promoted to the Room Divisions Manager.

What does a ‘Rooms Division Manager’ do? I am in charge of planning, coordinating, and supervising the operations pertaining to units and guest services. I do all this with support from our outstanding managers of each department in the division such as Reception (Cesar Rodríguez), Housekeeping (Humberta García), Public Areas (Trinidad Morales), Reservations (Erika Rodríguez), Animation (Rosa Sánchez), and Bell Boys (Daniel Rodríguez).

What do you look forward to most, either on a day-to-day basis, or throughout the year? Sharing moments with our guests and coworkers. We have been able to create a trusting environment with open communication and support that facilitates performing any task.

What would you recommend for someone visiting the resort for the first time? Several things: when walking around the resort, stop to appreciate its phenomenal architecture (which is no longer seen as much in the hotel industry). It was designed by a very distinguished architect firm, Sordo Madaleno. I also recommend a kayak ride and a stroll around the Marina.

Where is your favorite spot in the resort? The green areas surrounding the pools and the beach. If we’re lucky we can see dolphins and whales from the resort!

What is a favorite memory you have from time spent with our Members? My most special memory is the honor of receiving recognition from the family of a Member who had unfortunately

passed away. He loved Club Regina and his widow came to visit us with the sole purpose of recognizing the staff members that her husband wanted to thank in life.

What are some of the best things about living in Puerto Vallarta? It’s a very tranquil and safe city. I love the mountains and the nature surrounding it. I also love the extensive gastronomic cuisine that fits every budget.

What are some must do/see things that most tourists may not know about? Venture out of the tourist area and visit the local communities and neighborhoods; they have amazing small food stands and stores.

What do you like to do in your free time? I like exercising regularly, dining out, going to the movies (I go every week), and sunbathing on the beach.

That’s a lot of movies! What do you love about them? The thrill of a new story. My favorite genres are horror and mystery. Probably my two favorite movies are Rosemary’s Baby and the Insidious Chapter 1.

If you weren’t in hospitality, what other career do you think you’d like, and why? Fashion designer. I love the fast-paced environment of that industry and how often it changes.

What’s one thing Members might be surprised to learn about you? That I have worked since I was 15 in many positions and industries, many very different to this one. I’ve been a cashier, I’ve worked in telemarketing, as a sushi chef, receptionist, kitchen assistant, cleaning assistant, and many more.

Key Mexican airports eliminate tourist cards, fast track the entry process

As of August 19th, 2022, mandatory customs forms and tourist cards are no longer required for international travelers* arriving by air at some Mexican destinations. The elimination of the Formato Migratorio Múltiple (FMM), as the form is called, is part of a pilot test implemented by the Mexican government in selected airports to speed up the security process. Fortunately for Raintree members, airports at all three of our Club Regina locations have been selected for this program: Cancun International Airport, Puerto Vallarta International Airport, and San Jose del ´Cabo International Airport.

According to authorities, travelers arriving at these airports will only have to go through basic security protocols and present their passports for the quick interview with immigration agents. Tourists entering the country now only need to receive a stamp on their passport rather than a separate card they have to carry until their departure.

Visitors can now expect to get through customs in 10 to 20 minutes instead of the hour or more they used to endure. This means more time spent on what you came to do- vacationing!

**Note: The stamp does not apply to all nationalities. Tourists arriving from Haiti, Honduras, El Salvador, Venezuela, and Brazil will be the exception since visitors from Brazil, for example, are only granted 30-day visas. Also, travelers arriving under special circumstances such as with work visas or student visas, will have to use the electronic FMM.*

“

We put this program into effect after many requests by the Mexican Tourism Business sector to reduce wait time for tourists. Now normal tourists who come on vacation will not have to fill out the FMM, neither printed nor electronic, and everyone will be granted a permit to stay for 180 days....The program will reduce wait times from hours to minutes.”
