

Club Regina Fitness Centers

This spring we announced that we'd be building our first ever on-site fitness centers at our three Club Regina resorts. We are happy to report that the fitness center in Puerto Vallarta is open and that Cancun and Cabo are just days away from their grand opening! Take a look at the pictures and information below to get a feel for what you can expect on your next visit.

We know not everyone associates fitness with vacations, but we hope those who do will be pleased with what we have created and those who don't might be inspired to come give it a try!

Member Story

Susan Weghorst

How Raintree has enriched her family for the past 20 years

How long have you been a Member of RVC? We have been a member of Raintree since 2000. The resort was known as Westin/ Club Regina when we made our initial purchase. We also bought a one bedroom for our family of five, and then found we were going to be a family of six, so we had to move up to a two bedroom.

Who do you usually bring with you on your RVC vacations? We usually vacation with our immediate family. Our two oldest children are now married, and they have actually vacationed with our weeks as well. Our daughter and her husband just went to PV in June of this year. In November, we are bringing my brother and his wife. Since the kids are almost gone, we are now expanding to other family members.

You have a unique perspective because you have been regularly visiting all 3 Club Reginas for the past 20 years, how would you describe each resort/location? Cancun is pristine white sand and gorgeous blue waters. The location is so easy to catch a bus and explore the town. Puerto Vallarta's location on the marina is also a favorite. You can just walk over to the marina and enjoy dinner and local fare. Cabo's desert architecture is breathtaking. The sea life is so abundant. You never get bored watching the water.

What is your favorite thing to do at each location? We love the beach in Cancun. The kids enjoyed swimming and making castles and now as adults, they love body surfing and snorkeling. We have also taken bike tours and were first introduced to Karaoke in Cancun. That was so much fun!

Puerto Vallarta offers kayaking and paddle boarding. Also, being so close to the marina you can enjoy the art night during the week.

Cabo is definitely whale watching. That is so incredible. We've also gotten to enjoy flying sting rays and dolphins. The art district in San Jose is so quaint. We even were there once when the street fair was operating. Lots of Mexican culture.

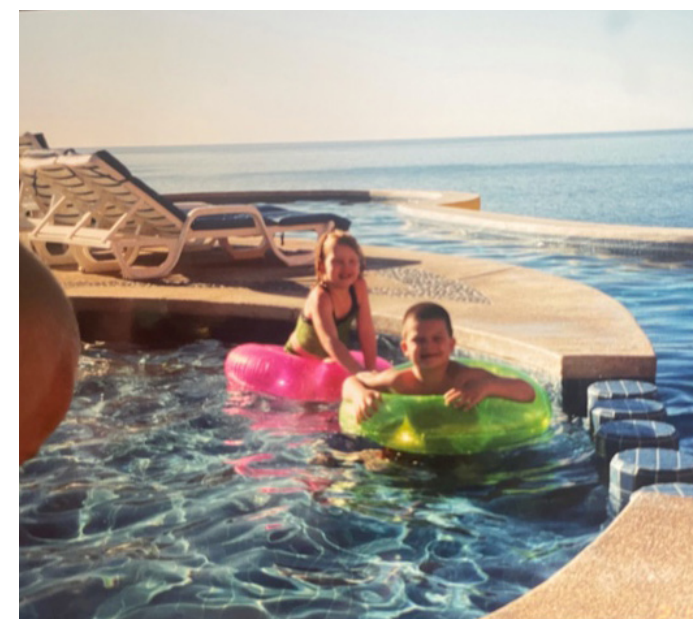

All the locations offer bingo (we've won many times) and water aerobics. There is never a day that goes by that we aren't participating in some sort of pool activity. I think my husband even made bracelets one day.

How has your Raintree membership impacted your family's life? One of our children (now in their 20s) said to us recently about how his memories of Mexico are the best ones he has. Being able to travel with them and explore so many different locations has been something we'll never regret. Our children also want to take their spouses to show them the fun they had in Mexico. It's truly been one of our best investments. We will continue it with our grandkids someday, I'm sure.

Any special memories that stand out over these years?

The coolest memory is that when we had to move up to a two bedroom, it was Eden, our youngest, that I gave birth to a few months after that. We've been taking her to Mexico since she was born. So, this past February, she and her boyfriend had spring break from college, and we all went to Cancun. He proposed to her at Raintree on the beach. It was so incredible to see this entire story of how much we love Mexico (she loves Mexico) come to a climax in her life. We are so thrilled!! Wedding in May of 2023!! Jimmy, the activity director at Cancun, has been mentioned as a DJ for our daughter's wedding...think he'd come?? Ha ha

How about the Raintree community- do you keep up with other Members or staff? We've been going to Raintree so long, that we have become friends with multiple activity staff at RVC. We've even met them for dinner on return trips. Even though most of them aren't there anymore, we still keep in touch. They are a great group! We are Facebook friends with quite a few of them. The head bellman at Cancun has been there for years, and it's always good to be greeted by him as we arrive. He's such a familiar face!

How have your recent stays with us been? Any advice to Members who have been hesitant to visit our resorts right now? We have traveled pre, during, and post pandemic to Mexico. Of course, masks, temperature taking, and more cleaning has been implemented. We went to Cabo in January 2021, Cancun in February 2021, we will be in PV in November and back to Cabo in March 2022. I felt safe and so many precautions have been taken, that I would not hesitate to travel.

We often see you on our RVC Facebook page and the Club Regina pages, what do you enjoy the most about it? I enjoy the Facebook page to see what others are doing and get ideas for next time that we travel. Also, living in a cold climate, I just want to see the sunshine and beaches!!

Are there any other Raintree resorts or alliances resorts that you would recommend? We have been to Cimarron in Palm Springs, Orlando condos, Polo Towers, and others. We have never been disappointed. Each resort offers something unique and has surpassed all our needs. It is so nice to be able to travel not only in Mexico, but also the United States.

Anything else you would like to share with us or the Members? Recently, my husband and I were discussing how RVC has gone above and beyond during this pandemic to offer top customer service. We do own at another 5-star rated resort, but the only thing they've done during this is raise prices. RVC, however, has offered so many incentives to travel like bonus days, bonus weeks, extra points, percent off food, etc. We have been overwhelmed by the amazing customer service. You have made us proud to be owners. It really is unmatched. We've been able to vacation more and so has our family. Thank you!

Staff Spotlight

Rosa Sánchez

Activities Director at Club Regina Puerto Vallarta

How long have you been working for Raintree? I have been with Raintree for 8 years. I started in 2013 managing the Kids Club, then as part of the entertainment team, and then I was promoted to my current position.

What do you like most about your job? My interaction with the guests because I really get to know them since they are regulars and come often to the resort.

What is your favorite activity to lead? I love beach volleyball. I also love to do the paddleboard and kayak tours because they allow me to enjoy nature and are so peaceful, plus they're a great exercise.

What activities is the resort currently doing that allow for social distancing? Some of our activities that allow for a healthy distance are water aerobics, bingo, our welcome parties, kayak, paddle boarding, and ping pong. We can always find a way to have fun even when socially distanced!

Do you have any insider advice or tips for our Members when it comes to the activities? To visit us in the Activities Palapa and book their activities in advance so we can plan a great time.

What's your favorite season at the resort, and why? The holiday season because we see a lot of our regulars, some who stay two months or more with us, we [the staff] get to enjoy our end-of-year "Posada" party, and you can actually feel a chill in the air during this time of the year, ... but I also I love it because my birthday is December 19th!

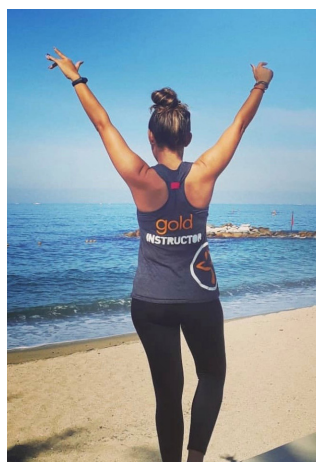

Where's your favorite spot at the resort? The pool area because that's where my Activities Palapa is located, and I appreciate the beautiful surroundings. I can't believe that's my office!

Tell us about a "best kept secret" of the local area that most visitors might not know about. Take the time to discover the smaller, local restaurants called "cenaduría" where they serve traditional Mexican "antojitos" (snacks) such as sopes, enchiladas, tacos dorados, pozole, and gorditas. Some of my favorite are on Roma Street in the Versailles neighborhood.

Where did you grow up? Tell us a little about your family. I was born in Tuxpan, Nayarit but have lived in Tepic, Nayarit for 17 years. Then, I moved to the hotel zone in Puerto Vallarta so I could start working and then I started a family. I have three daughters: Gretel Daiana is 15, Ashly Vianney is 13, and Yuritzy Victoria is 7.

What do you like to do in your free time, who do you spend it with? I love to catch up on my sleep a lot, but I also enjoy time with my family either watching movies or visiting new places, discovering what the destination offers.

What's one thing Members might be surprised to learn about you? That on top of being a certified Zumba® teacher, I am a mother and love spending time with my family.
