RESTAURANTS & ACTIVITIES THE LOCALS AND STAFF LOVE

We recommend [Grappa](#), which is Northern Italian cuisine; [Chimayo](#), which is a great Southwestern restaurant; the [Riverhorse Cafe](#), and [Mustang](#), which are probably the two best steak and seafood restaurants in town. [Zoom](#) is another one with a more eclectic Continental menu that is probably the most popular restaurant in town. For lunch, favorites are [Windy Ridge Cafe](#) and [Cafe Terigo](#).

Favorite family friendly restaurants are [Bandits](#) (Main St), [Maxwell's](#) (Kimball Junction/Redstone), [Baja Cantina](#) (Park City Mountain Resort), and [Cisero's](#) (Main St).

For brunch in Park City, we recommend either [Cisero's](#) or the [Silver Star Cafe](#), both in downtown Park City.

There are three brew pubs here in town, and all of them have great food and beer. [Wasatch Brew Pub](#) is up on Main St, [Squatter's](#) is right on Hwy 224 on the way into town, and [Red Rock Brewery](#) is in Redstone at Kimball Junction, where you get off of the freeway. They are all local Utah companies. Additionally, [High West Distillery](#) is highly recommended and their restaurant and liquors are extremely popular. They are just off of the Main St downtown area on Park Avenue.

OUR STAFF RECOMMENDS

Although famous around the world for its winter activities, Park City is a four-season resort town.

Winter activities include the 14 major ski resorts within 50 minutes drive time as well as myriad outfitters which offer cross country skiing, snowmobile adventures, sleigh rides, yurt camping and ice skating, to name a few. We recommend:

[All Seasons Adventures](#)

[Utah Outdoor Adventures](#)

[Destination Sports](#)

[Wasatch Adventure Guides](#)

[Red Pine Adventures](#)

[Jans Mountain Outfitters](#)

For sleigh rides, we recommend [Rocky Mountain Recreation](#). They have a rustic ranch area where they do sleigh rides and dinner, and it is a great experience.

[The Canyons](#) has a couple of ziplines- an easier beginner one, and one which is pretty breathtaking that goes over a big valley up on the mountain. One of the most popular activities during the winter is [Gorgoza Park](#), which is a tubing hill that is a lot of fun.

For snowshoeing, the best company to use is [White Pine Touring](#). Their rental shop and course are about a five minute drive from the resort, and they have a track you can go out on on your own. They also have guides that can take you out on a backcountry tour.

While spring is the off season and activities can be limited, it is still a great time to enjoy the scenery, dining, and shopping. There are many scenic drives in the area and a majority of the shopping opportunities are open year round. Salt Lake City is only 30 minutes away and offers all the amenities and night life of a major city.

There are a lot of popular, fun activities up here during the summer season. Aside from mountain biking, hiking, golfing, fishing, and many other mountain resort activities, [Park City Mountain Resort](#) has an Alpine Slide and Alpine Coaster, a Zipline, miniature golf, kid rides, and horseback riding, so they are one of the hot spots for summer fun up here. The Olympic Park is also open, and they also have an Alpine Slide and Zipline, in addition to a couple of Adventure Courses and their famous Winter Sports Museum.

The fun continues in fall. Aside from mountain biking, hiking, golfing, fishing, and many other mountain resort activities, Park City Mountain Resort has an Alpine Slide and Alpine Coaster, a Zipline, miniature golf, kids rides, and horseback riding, so they are one of the hot spots for

summer activities, which are all still available daily over there through the early fall. [The Olympic Park](#) is also open daily, and they too have an Alpine Slide and Zipline, in addition to a couple of Adventure Courses and their famous Winter Sports Museum (the slide, Zipline, and Adventure Courses are just available on weekends during the fall). Canyons resort also has their gondola ride, ziplines, and disc golf course open Saturday and Sunday.

For hiking and mountain biking, the three ski resorts here in Park City are the best places, as well as up Daly Canyon between Deer Valley and Park City Mountain Resort. There are tons of great trails, and lots of old mining buildings that are fun to check out.

Magic Breeze

**CLUB REGINA
CANCUN**
A RAINTREE VACATION CLUB RESORT

On Saturday, July 10 Raintree was thrilled to open our newest Magic Breeze at Club Regina Cancun. This coffee shop and bar provides beverages and light snacks all day, with happy hour specials from 8:00 p.m. to 9:00 p.m. daily. It is a Raintree tradition for a Member to cut the ribbon, and we were lucky to have Mr. Michael Hamauei and Ms. Landy Lavalle in-house to perform the honors. They have been Members for about 18 years and they come home to Club Regina Cancun every summer (and are already booked for next year). Magic Breeze Cancun is located where the check-in desk formerly sat. The check-in has been moved to the lobby area, which is more convenient for all guests. We hope you will have an opportunity in the near future to visit Club Regina Cancun and drop by Magic Breeze for a coffee or a cocktail. We are open daily from 7 a.m. to 11 p.m.

Pop-up restaurants are all the rage, and when we mentioned ours in the last issue, Members wanted to hear more. La Cevicheria, Raintree's summer pop up, is located on the beach at Club Regina Puerto Vallarta. Open July and August, La Cevicheria serves up the freshest seafood in a laid back outdoor setting. Ceviche refers to any preparation of fish or seafood marinated in salt and citric juices; either lemon, orange, or grapefruit; generously flavored with chilies, onions, and cilantro.

It is the ideal dish for a hot summer day and also for any other time of the year. It requires fresh and good ingredients and is easy to prepare. During the time the fish is being marinated, either for a few minutes or for several hours, it will start turning white, becoming firmer as it absorbs all the flavors.

Ceviche has a delicate and refreshing ocean taste. It is light and it tastes great!

La Cevicheria offers cooking classes on Fridays at 1pm. For \$50 pesos per person, you have the opportunity to learn as the chef explains the proper technique to prepare ceviche, and you can enjoy a freshly made ceviche tostada and a soft drink.

LA CEVICHERIA

**12 PM - 5 PM | Closed on Tuesdays
July and August only | EXT. 5311**

A pop-up restaurant is a temporary restaurant. They have been around since the 2000s in Britain and Australia, and have been gaining popularity in the United States the past five years. Pop-up restaurants often showcase a specific type of cuisine or dining concept.

“One of the things I like about teaching at La Cevicheria is that the students (guests) leave with a good impression of who we are at Raintree Vacation Club, our quality service, and the ingredients we use. I like to interact with the guests answering questions, and especially being able to teach them a new way to prepare something so simple and fresh and serve it in an elegant way.”

3RD PARTY SCAM

Raintree's Member Services department has recently been alerted by some of our Members of several companies claiming to be "Raintree Corporate representatives" contacting Members to collect pending maintenance fees in order to sell, rent, or buy their memberships/weeks. We strongly urge our Members to exercise extreme caution when dealing with any companies that promise to sell or transfer your timeshare for an up-front fee or contact you claiming to have a buyer for your timeshare. Despite having professional-looking salesmen and websites, many of these companies are not legitimate.
